- **The DEC report:** N/A for this meeting
- **Open discussion/ Other business:** Chantale and Jamie are part of the New School Consultation Committee for the new K-8 school that has been proposed for the Lincoln Area. They met and discussed plans and numbers for the school. Raised concerns that the numbers don't reflect the population accurately, let alone what the population of that area will be in 5+ years. School plans look too small for the proposed area. They meet again

on October 17th to go view Cuffman and Sunset schools and make suggestions about logistic of the school designs, use of space, practicality, etc.

- **Date of next meeting:** October 27th, 2025 at 6 P.M. (Subsequent Meeting Dates: Nov 24/25, Jan 19/26, Mar 23/26, and May 25/26)
- **Motion to adjourn** was made by Victor Bobarnac and seconded by Loreigh MacKay at 6:30.
